## INTRODUCTION

The Governor called a special election to fill the vacancy within the 65<sup>th</sup> Assembly District on December 6, 2000. The vacancy was created when Jan Leja was not able to assume the seat after she agreed to plead guilty to two misdemeanor charges of filing false campaign financial reports. The special primary election will occur on February 6, 2001. If no candidate receives 50% +1 vote in the special primary, a runoff election will be conducted. If a runoff is required, the special general election will be held on April 3, 2001. The 65<sup>th</sup> Assembly District has approximately 70,800 registered voters in San Bernardino County and 121,700 in Riverside County. These numbers could go up or down depending upon purge and registration activity.

Elections to fill vacancies for legislative and congressional offices are governed by Division 10, Part 6 of the California Elections Code and have different deadlines than regular elections. The most important differences are a shortened filing period, later ballot printing and mailing, later acceptance of absentee applications, and a shortened canvass period. For these reasons, such elections do not normally consolidate. The ROV conducts the election, and certifies results to the Secretary of State. Election costs are reimbursable by the State.

A unique feature of this type of election is that candidates of all parties appear on the same ballot. If no candidate receives a majority vote on February 6<sup>th</sup>, a Special General Election is held on April 3, 2001. On that ballot appears the top vote getter from each party in the primary.

This is the second in a series of three elections being conducted with overlapping deadlines (See Appendix 1).

## ELECTION DATES/STATISTICS

**Key Dates** – See (Appendix 1) Election Calendar, distributed to Media. A more complete calendar appears in the Candidate Handbook. There will be no add-on counts. Canvass will be complete and election results certified to Secretary of State by February 9, 2001.

**Key Statistics** – One ballot type for the 65<sup>th</sup> Assembly District. San Bernardino County Voter registration at the close of registration was 70,778. For a breakdown by party, see Appendix 5). There are 66 polling places.

**Races on Ballot** – Eight candidates – four from San Bernardino County and four from Riverside County. Candidates of all parties appear on the same ballot. See (Appendix 2) for sample ballot page.

**Turnout** – The Registrar of Voters does not predict turnout. For historical data see (Appendix 3). Note: A Special Primary Election held on January 11, 2000, in San Bernardino County to fill the vacancy in the 32<sup>nd</sup> State Senatorial District had a turnout of 15.8%.

## SUMMARY OF ELECTION PROCESS

**Ballot Access** – The ROV files candidates and forwards information to the Secretary of State. Secretary of State issues a certified list of candidates.

**Order of candidates** – The Secretary of State conducted a random alphabet draw on December 27, 2000 to determine the order of the candidates on the ballot.

**Registering to Vote** – Last day to register was January 22, 2001. No late hours or special arrangements were made.

**Working with Media** –An announcement of the election, along with calendars and candidate handbook were issued to media on December 12<sup>th</sup>. No on site media has been scheduled for election night. Media releases are also available on the Internet.

**Exit Polls** – ROV has not been notified of any.

**Voting Material** – Sample ballot pamphlets are printed by Merrill, mailed by Diversified. Early close mailing began January 12<sup>th</sup>; 29-day close mailing began January 16, 2001. No mailing problems observed. Mailed with non-profit status. Pamphlet covers are red, with blue lettering. Ballot cards provided by Election Systems & Software. Ballots are long stubs, round holes for absentee and rectangular holes for polls. Color =gray; Design = California State Seal. Fifty-one 60-Day paper ballots were mailed to overseas or military voters. Ballots have 312 printed numbers.

**Establishing Polling Places/Polls Publication** – 66 polling places. Owner receives \$50. 44 polling places were donated free of charge. The polling place and poll workers will be published on January 27<sup>th</sup> in The Sun and the Hi-Desert Star newspapers. All polling places used in the Special Primary on February 6th will be used again on April 3<sup>rd</sup> if a general election is required.

**Polling Place Supplies** – PollStar system – 462 booths and 528 voting devices (which includes one booth per polling place for disabled). All supplies were distributed at training classes. 3 classes will be held on February 1<sup>st</sup> - 2<sup>nd</sup>. Supply bags are provided by Martin and Chapman.

**Recruiting and Training Poll Workers** – 264 poll workers were recruited. 8 are bilingual. Inspectors earn \$100 and clerks earn \$65, plus an additional \$15 for attending an Inspector training class. Three trainers conducted training. Poll workers were recruited for both the primary and general elections at one time – even though it is not certain yet that there will be a general.

**Student Poll Workers** – No students were recruited due to the close proximity to the beginning of the school term.

**Election Day/Night Assistance to Poll Workers** – There will be 5 Troubleshooters covering all areas involved in this election. Communication with Troubleshooters will be by cellular phones and pagers. Cellular phones are rented from Shared Technologies Cellular and pagers are rented from Nationwide Communications. Troubleshooters use rental vehicles supplied by Budget Car & Truck Rental.

**Voting by Mail/absentee** – Applications to receive a mailed absentee ballot are accepted beginning – 25 days before an election rather than –29 as in other elections. Applications must be received by ROV no later than January 30<sup>th</sup>. From January 31<sup>st</sup> through election day, voters may vote an emergency ballot, which requires pick up at the ROV and hand delivery to a polling place or to the ROV

---

office before the polls close. Campaigns for Russ Bogh, and Ray Quinto are using their own generic absentee applications.

**Assistance to the Public** – Information on the election, results, absentee applications, and polls look up is on the Internet at: <http://www.sbcrov.com>. The automated phone system has been updated for this election. No additional staffing is required. 10 microfiche of polling place locations will be produced for this election and distributed to the city clerks in Redlands, Yucaipa, Big Bear, 29-Palms, Yucca Valley, and the Yucaipa and 29-Palms Libraries. The remaining 3 microfiche will be distributed to Registrar of Voters' staff as "back-up" in case of power failure.

**Election Night Ballot/Supply Retrieval**- Absentee ballots received by 8:00 p.m. on election day at the Redlands (main) post office, will be picked up by ROV staff and processed during canvass. All Ballots and supplies will be delivered by poll workers to one of the following 6 collection centers: 1) Joshua Tree County Government Center; 2) Fire Station #112 in Lucerne Valley; 3) Big Bear Sheriff Station; 4) Charles Hoffman School in Running Springs; 5) Yucaipa Sheriff Station; 6) Redlands Police Station / Safety Hall. No assistance is required from the Sheriff's department. Communication with return center personnel will be by cellular phones and pagers. Cellular phones are rented from Shared Technologies Cellular and pagers are rented from Nationwide Communications. Return center teams use rental vehicles supplied by Budget Car & Truck Rental.

**Ballot Counting Locations** – All ballots will be counted at ROV site only.

**Student Volunteer Workers** – There are no students for this election.

**How Ballots are Counted** – Ballots will be counted on 2 PC systems using 6 cardreaders at ROV site. Observer Panel (3 members of the Grand Jury) will observe Logic and Accuracy test at approximately 7:15 p.m. and absentee cards will be counted after polls close. The Observer Panel will then witness a final Logic and Accuracy test on the ROV system after the count is final. The number of outstanding ballots (absentee and provisionals turned in at polls) will be given out on final bulletin.

**Availability of Election Results** – Five polling places will be selected to provide a sampling of voter turnout information throughout the day. At approximately 10:00 a.m., 2:00 p.m., and 4:00 p.m. the Registrar of Voters office will telephone the polling place inspectors and get their voter turnout totals. This is a sampling of actual voter turnout, not a prediction of overall turnout. The media sometimes pre-selects certain precincts to see if there are any particular trends or patterns developing in different areas. In this election there are no Key Precincts. On election night the most current results will be available on the Internet and by telephone. Telephone results will be available until 15-minutes after the final bulletin is produced. Printed bulletins will be available at the Registrar of Voters office throughout the evening along with monitors to view the results carried on the Internet. Election night bulletins will be faxed to Secretary of State approximately every 20 minutes throughout the evening. The final election night bulletin will be faxed to individuals and organizations upon request. Official Summary results are available the day the election is certified. Individual Precinct results are available the day following certification. This election will be certified on February 9<sup>th</sup>.

**Additional Ballot Counting** – no add on counts will be conducted for this election due to the three day requirement for certifying. Any additional ballots will be processed during the canvass procedures.

---

---

**Post Election Night Results** – No additional bulletins or Statement of Votes will be released to the public until the election is certified on February 9<sup>th</sup>. Voting history will be available September 30, 1999.

**Certifying the Election** - When the canvass is complete the official results will be prepared, certified and sent to the Secretary of State on February 9, 2001. The Secretary of State will certify the list of candidates to the ROV and notify candidates if a special run-off (general) election is needed no later than February 15<sup>th</sup>.

**What it takes to win** – A candidate can win election in the primary election if that candidate receives a majority of the vote. If no candidate receives a majority, the top vote getter of each party appears on the Special General Election ballot.

**Dispute of Election Results** – Requests for recount may be submitted within five days after the completion of the official canvass. Requestor must pay estimated cost of recount in advance. The California Elections Code outlines the process for filing an election contest. Filing deadlines vary.

## 4 Election Results Information Sheet

**REMINDER: For a candidate to win in the Special Primary, that candidate must receive a majority of the votes (50% + 1)**

### **When and Where Are Results Available?**

Results are available at the Registrar of Voters office in San Bernardino.

Results are also available on the Internet at:  
<http://www.sbcrov.com>

The first Summary Report will be released shortly after 8:00 p.m. This report will contain absentee/mail ballot results **only**. The voting precinct totals will be added to the absentee/mail ballot totals as soon as they arrive at the counting site.

### **Explanation of Bulletin Format**

- A. Reports are sequentially numbered. Date and time appear in the upper right-hand corner.
- B. Reports will contain votes cast within San Bernardino County.
- C. District name appears only when a contest is counted by a specific district (not County or statewide).
- D. (#/PCT \_\_\_\_ ) = Number of voting precincts for this election/race. (This number does not change.)
- E. (#/RPT \_\_\_\_ ) = Number of precincts reporting at time report was created. This number will increase as precincts are counted.
- F. (%/RP) = Percentage of precincts that have reported at time report was created. (This number will increase as precincts are counted - up to 100%.)
- G. Measures always list results with "Yes" first. **Note: If a measure requires more than a majority vote, "2/3" appears next to the measure.**
- H. The number of votes received along with the percentage of all the votes cast for that measure appears to the right of each yes + no.
- I. Candidates are ranked with the candidate receiving the most votes appearing first.

#### **Registration/Turnout**

The last *semi-official report* election night will contain pages of statistics showing registration/turnout numbers and percentage. Turnout represents the ballots cast.

---

---

**NOTE:** There is a difference between ballots cast and votes cast. A voter may undervote his/her ballot (i.e. skip any of the races/measures) or may overvote (i.e. vote for the YES and NO on a measure) which voids the vote cast on that one measure alone.)

**Absentee Totals**

San Bernardino County counts absentee totals by precinct so that it is possible to see how all voters in a precinct voted. This level of detail is available only on the Statement of Votes Cast.

**When Will the Count Be Completed?**

The count will be finished Election night -- after all precincts report. However, the count is not considered complete until the election is certified following the canvass.

**Availability of Election Results**

Official Summary results are available the day the election is certified. Individual precinct results are available the day following certification. This election is to be certified February 9<sup>th</sup>.

**What is the Official Canvass?**

State law requires an official canvass (audit of the election). This entails numerous manual processes that verify the accuracy of the computer count, including a hand tally of ballots cast in 1% of the precincts. When complete, election results are certified to the various jurisdictions, which then declare the winners.

**Election Definitions**

- **NPP** - No polling place was assigned because there were fewer than 250 registered voters. These voters are "declared" absentees.
- **Requested AV** - Voters who choose to vote by absentee/mail ballot instead of going to the polls.
- **Provisional Ballot** - Voted at polls when a voter's registration is in question. These ballots are sealed in an envelope for later verification at Registrar's office.
- **Write-in Ballot** - When a voter chooses to manually write-in a vote for a candidate(s) not printed on the ballot. The entire ballot is set aside to be counted after the validity of the write-in vote is determined.
- **Unofficial Results/Semi-official** - All election results issued prior to completion of the official canvass.
- **Official Results** - Final election tabulation is issued after completion of the official canvass and the Registrar of Voters certifies results.

**Official Canvass** - A detailed audit of the election. The law allows 28 days to complete this process.
